

Pre-Charged Pneumatic – Air Rifles

BLACK MAMBA – Ultimate FT

The BLACK MAMBA Ultimate FT is a single shot, compressed air powered air rifle designed to shoot 50 meter target competitions. This makes it an ideal choice for Field Target (FT), HFT and Bench Rest shooting.

It is equipped with a 520 mm (20.5 inch) rifled "floating" barrel and air stripper/compensator for increased accuracy. The removable 220 bar pressure cylinder supplies up to 135 precision regulated shots. It comes in the fully adjustable Ultra Stock, complete with compensator, tools, removable cylinder with gauge and quick fill all in a hard case.

Technical Data:

Calibre: 4.5 mm / .177 in (.22 as option)
Muzzle Velocity: 240 m/s – adjustable.
Dimension: 920-1020 x 195 x 55 mm

Power Source: Air cylinder, max. 220 bar
Muzzle Energy: 11.6 ft/lbs
